

For Immediate Press Release

IP Markets, is a 100% techno legal IP firm dealing exclusively with issues relating to IPR for its various clients. Though a fledgling firm with only one and half years of existence, the experience of its partners saw the firm handle some of the best IP litigations across the country. The Firm has also a record of having secured a contested decree in Vijayawada, within a matter of 6 to 7 months. The firm is in the process of recognized as the fastest growing firm in the country. IP Markets is also extending its areas of practice in the fields of information technology, arbitration, criminal prosecutions etc. With a team strength of around 20 lawyers and technical staff, the firm is rapidly growing. The firm in order to cater to the needs of the international client's is also member of INTA (International Trademarks Attorney Association) and AIPPI – International association for protection of intellectual property.

In the course of the firms existence the firm noted that there is a lack of knowledge in the area of IP not only amongst the fraternity of Advocates but also some times amongst the Judges. This is one of the reason why IP Markets thought of organizing an IPR moot in order to propagate the awareness of intellectual property among students and advocates.

IP Markets put forth this idea of conducting Moot Court competition in association with University College of Law, Osmania University to which the principal of the college readily agreed since there is a greater demand for awareness in IPR among student community and lawyers. University College of law, Osmania University is one of the oldest law colleges in the country that has produced eminent lawyers, politicians, civil services officers, professors and Doctorates.

IP Markets is organizing the 1st IP Markets National Moot Court Competition-2015 in association with College of Law, Osmania University from 20th-22nd February, 2015 at the Osmania University Center for International Programs, in OU Campus.

This competition has participants coming from several law schools from various parts of the country. A moot court competition in the area of intellectual property gives students the opportunity to explore this particular area of study beyond the prescribed curriculum.

The competition is a three day affair and is going to be adjudged by a team of judges comprising of some of the best lawyers in the field of intellectual property.

The event constitute preliminary rounds of competition involving where more than 30 teams are participating. Eight teams out of 30 teams will enter quarter-finals, semi-finals and finals. The final would be held at Prof. Ram Reddy Distance Education Auditorium from 2.30 pm onwards on 22nd Feb-2015 and will be adjudged by the Hon'ble Mr.Justice M.S.Ramchander Rao, Judge, High Court of Judicature at Hyderabad for the state of Telangana and State of Andhra Pradesh, Sri.Madabhushi Sridhar, Chief Information commissioner, Delhi, Sri.T.V.Madhusudhan, Deputy Controller of Patents, Kolkatta.
